

THE HOTEL LINE UP AT A GLANCE

All bed models can be custom-made to meet specific requirements.

DUX HF1

The DUX® HF1 is a frameless mattress based on the DUX® H1, featuring dynamic two layer spring construction and the legendary DUX comfort and support. The design is still based on the original DUX bed design - first manufactured in 1926.

DUX H1

The DUX® H1 dynamic two layer spring construction is the perfect introduction to legendary DUX comfort and support. The DUX H1 is based on the original DUX bed design - first manufactured in 1926.

DUX HF3

The DUX HF3 is the frameless version of the DUX H3 still featuring the DUX spring system, with thousands of interconnected coils, and our unique Pascal system. The Pascal system has interchangeable spring cassettes that allows you to customize each side of the bed to your guest's individual body shape and needs.

DUX H3

The DUX H3 is the result of two DUX innovations – the DUX spring system, with thousands of interconnected coils, and our unique Pascal system. The Pascal system has interchangeable spring cassettes that allows you to customize each side of the bed to your guest's individual body shape and needs.

DUX H6

The DUX H6 offers our Pascal system of interchangeable spring cassettes with an additional layer of springs in the form of a two piece mattress and base configuration. The DUX H6 provides your guests with the ultimate sleep experience.
